England-France Clash Proved Dismal Rugby

(Former Daily Colonist sports writer, Ian Glenday, is writing a series of articles on Old Country sports while on an extended visit to Great Britain and the Continent. This is another in the series.)

By IAN GLENDAY

LONDON, England—Rugby football's premier attraction of the season, the long-awaited International between England and France at Twickenham, proved a dismal flop to the 67,000 spectators who expected to see rugby at its best and France displaying its usual dynamic brilliance.

What a disappointment! England held the highly-favored French, who had defeated five countries in succession and had claimed the unofficial world championship, to a 3-3 draw in a match that was ragged and dull from the start. That the scoring came from penalty kicks was partial proof of the ineptness of both backfields and did not result from skillful defensive play.

INTERNATIONAL TABLE

	P	W	L	D	F	A	Pts
France	2	1	0	1	12	3	3
England	3	1	1	1	6	8	3
Wales	2	1	1	0	10	6	2
Ireland	2	1	1	0	8	6	2
Scotland	3	1	2	0	9	22	2

Next matches: March 14, Wales v. Ireland (Cardiff); March 21, England v. Scotland (Twickenham); April 4, France v. Wales (Paris); April 18, Ireland v. France (Dublin).

France had no less than six reserves in the line-up and were only a shell of the team that walloped Scotland, 9-0. Biggest loss was forward and captain Lucien Mias. Without him, the French forwards were not the smooth, destructive machine of the past but a lifeless, untidy unit that was hard-pressed to hold its own against a much-improved England pack.

New captain Bert Godwin at hook made the big difference for the England forwards, getting the ball back with a good deal of skill and consistency. As a result the England backs saw more of the ball than has been the case in recent matches, but they could do little once they got it and for the fourth successive International the three-line failed to score. England's only attacking outbursts of consequence were breakaways by wings Bev Risman and Peter Jackson.

Jim Heatherington at full-back was as good a player England had on the field, and he kicked a first-half penalty goal to equalize less than two minutes after Antoine Labazuy had kicked one for France.

This should have been England's day to beat the French and the disappointing result proves once again the tough task ahead for the selectors picking an England side for the severe Australia and New Zealand tour. England faces 31 matches in its first down-under tour for nine years and must play the Australian reps twice and New Zealand four times.

Some 70 players are under consideration at the moment with the final selection taking place late in March. One of the biggest problems that needs to be overcome is finding a tough, durable scrum that can take the expected heavy going. Another is finding a suitable captain for there isn't an outstanding candidate for this important position.

Saturday's other International saw Ireland defeat Scotland for the 11th time in 12 meetings since the war, 8-3. Scotland rarely crossed the mid-field strip and to make matters worse, Jim Greenfield, forward and captain, was injured early in the match and played under extreme difficulty.

A 50-yard penalty kick by Dave Hewitt and a converted try, scored by Dooley, put Ireland into an 8-0 half-time lead. Scotland, only a shadow of the team that beat Wales, scored late in the match on a penalty goal by Ken Scotland.

Heavyweights Cause for Pride

Britain's boxing fraternity has been on the wrong end of the punch too many times since the days of Freddie Mills and Randy Turpin, but there is new-found optimism among the fight followers as a result of certain happenings in recent weeks.

Britons point with pride at the world ring ratings which show that three boxers from the home countries — new heavyweight champion Henry Cooper and ex-champions Brian London and Joe Erskine —are listed among the "top 10." Dave Rent, who spent two years in the U.S. under the guidance of Al Weill, has also come into the picture with his fourth-round knockout of Max Brianto in his first professional fight here.

Erskine crashed the top 10 with his points victory over Willie Pastrano, the will-o-the-wisp American who is becoming easier to hit and easier to defeat every time out. Erskine, once prominent in British circles and now trying a comeback, handled Pastrano, ranked fifth among world heavyweights before the Wembley Stadium bout, with comparative ease.

But it must be said that Pastrano is no longer the craftsman he was, and Erskine made keeps jabbing away effectively in an unhurried manner and can keep up with the pace no matter how fast the going.

Erskine will no doubt attempt to regain his British title and his chances are good if he can return to his old form, for he holds two victories over Cooper. Erskine's career was Erskine is no puncher but he can be tough to hit cleanly, the American look like an amateur at times with his superb defensive movements, particularly on or near the ropes, all but ended in a crushing knockout defeat at the hands of London last year.

British boxing fans are thinking in terms of the world title and, although it seems a far-fetched dream at the moment, the heavyweight situation is so unsettled and so lacking in top-flight talent that anything could happen. It is, however, hard to picture any of Briton's big men going the distance against Floyd Patterson much less taking the title away from him.

JEAN BELIVEAU

Canadiens Clinch Title By Routing Wings, 10-2

A magnificent Jean Beliveau scored four goals, including the 200th of his National Hockey League career, and set up three more last night to lead Montreal Canadiens to a 10-2 rout over Detroit Red Wings that gave them their second straight league title.

The Beliveau-Dickie Moore-Marcel Bonin line was almost the whole show as the Habs rolled up the highest total of the season. Moore had two goals and four assists and Bonin had four assists.

Victory left the Canadiens 17 points ahead of the second-place Chicago Black Hawks, who took a 6-1 trimming from New York Rangers.

The Hawks, with only seven games, left, can't overtake Montreal and are still in a three-way fight for position in the playoffs. Boston Bruins missed their chance to gain on the Hawks when they lost 4-1, to Toronto as the Leafs moved out of the cellar past Detroit.

Henri Richard, Ralph Backstrom, Claude Provost and Andre Pronovost got the other goals for Montreal. Alex Delvecchio and Gordie Howe scored for the Wings.

GOALIE TROUBLES

At Toronto, the Bruins were forced to use an untried junior goalie, Don Keenan, against the Leafs. Harry Lumley, himself a substitute for the injured Don Simmons, came down with food poisoning just before the game started.

Keenan, 17, made 37 stops in his NHL debut, but was beaten by Ron Stewart twice within 28 seconds in the third period. Gerry Ehman and Carl Brewer were the other marksmen for the Leafs, who moved two points in front of the last-place Wings. Bronco Horvath scored for Boston.

Lorne Worsley was the star for the Rangers in their nationally-televised afternoon game against the Hawks. Worsley made 16 saves in the second period, when the Hawks had most of the play, and was the big difference in the clubs.

Andy Bathgate, Larry Popein, Eddie Shack, Red Sullivan, Dean Prentice and Andy Hebenton scored for the Rangers. Ed Litzenberger ruined Worsley's shutout bid with his 30th goal of the season in the third period.

Canada Heads for Showdown With Reds in World Hockey

By ED SIMON

BRATISLAVA, Czechoslovakia (CP)—Canada and Russia are still head and shoulders above the rest of the world when it comes to hockey, if results of the preliminary rounds of the 1959 championships mean anything.

Those two powerhouses emerged the decisive winners in their respective groups in the elimination series completed Saturday, and are the only two teams carrying unbeaten records into the final round, to start Tuesday in Prague.

The other finalists are Czechoslovakia, from Canada's group "A"; the United States, from Russia's group "B"; and Sweden and Finland from group "C."

	W	L	T	GF	GA	Pts
GROUP A						
Canada	3	0	0	39	2	6
Czechoslovakia	2	1	0	24	8	4
Switzerland	1	2	0	8	35	2
Poland	0	3	0	4	30	0
GROUP B						
Russia	3	0	0	24	5	6
U.S.	2	1	0	22	10	4
Norway	1	2	0	10	26	2
East Germany	0	3	0	6	21	0
GROUP C						
Sweden	2	0	1	21	5	5
Finland	1	1	1	13	12	3
West Germany	1	2	0	11	13	2
Italy	1	2	0	7	22	2

BREAK OUT

Canada exploded for six goals in the second period Saturday to defeat Czechoslovakia, 7-2, in its final preliminary match. Pete Conacher, son of former National Hockey League great Charlie Conacher, led the attack with three goals.

At the same time in Brno, Russia outlasted the U.S. for a 5-3 victory. The two clubs battled to a 2-2 tie at the end of the second period, but the U.S. simply could not contain the superbly conditioned Reds in the third, when they broke through the tiring U.S. team for three fast goals.

These two games rated as little more than a forecast of what is to come in the finals, since all four clubs had previously won a final berth.

But Sweden, which defeated West Germany, 6-1, in the last group "C" preliminary, needed the win to get into the main competition. The Swedes took a record of one win and a tie into the game and a loss would have sent the West Germans, who had one win and one loss, into the finals in their place.

The Swedes' victory also enabled Finland to make it with one win and one tie, although the fast-skating Finns had lost earlier in the day, 5-4, to Italy in the biggest upset of the elimination rounds.

In other final play, Switzerland defeated Poland, 8-3, for its first win and Norway beat an inexperienced East German team, 6-3.

IMPRESSIVE

The two biggest factors that emerged from the preliminary games were the power and experience of the reinforced Belleville, Ont., club and the precision of the Russian squad.

Canada was virtually untested in its first two games, beating Poland, 9-0, Thursday and crushing Switzerland, 23-0, Friday.

The Czechs more than lived up to their fans' hopes in the first period, as they battled on even terms for the first 20 minutes.

Conacher gave Canada a 1-0 lead at 11.40 of that period that stood up, but the Czechs kept pressing and tested goalie Gordie Bell, who missed Friday's game because of an attack of flu, with 10 shots. This was only two less than the Poles managed to fire at Bell during the entire game Thursday.

But in the second period, the Czechs seemed to fall apart under the Canadian pressure. Conacher started the surge with his second goal on a screened shot shortly after the period started and completed his hat trick eight minutes later.

Vlach gave the 13,000 fans something to cheer about when he beat Bell from 10 feet out. It was the first goal allowed by Canada in 162 minutes of tournament play.

A Canadian lapse left Jaroslav Jirik uncovered in front of Bell, and he beat him easily for the Czechs' second counter.

MORE FUN

The Canadians, who had managed to steer fairly well clear of the penalty box for the first two games, fell from grace as they drew 12 of the 16 misdeeds called by the West German officials, including a misconduct and four minors by former NHL defenceman Al Dewsbury.

The misconduct in the first period resulted from an involved series of happenings. Johnny McClellan was in the penalty box for a minor infraction when Billy Reay, assistant manager of the Canadians, started walking toward him.

An occupant of the press box grabbed Reay, who was momentarily blocking his view. As Reay struggled to break free, a photographer levelled his camera at the pair. Dewsbury promptly skated over and swung his stick at the cameraman, and was immediately jugged for 10 minutes.

Beliveau Bids For Point Lead

Dickie Moore of Montreal Canadiens holds a five-point lead in the individual scoring race, but the hottest player in the National Hockey League is teammate Jean Beliveau, gunning for his second scoring crown.

Beliveau had four goals and three assists last night to overshadow a six-point night by Moore and move into a second-place tie with Andy Bathgate of New York Rangers. Moore has 81 points, Beliveau and Bathgate 76.

The red-hot Beliveau has now scored 17 times in the last 17 games and picked up 19 assists. He leads the league in goals with 37, one more than Moore, still the league's top playmaker with 45 assists.

Beliveau won the scoring title and the $1,000 that goes with it in the 1955-56 season, when he collected 88 points and led the league in goals with 47.

Top scorers follow:

Giants Base Hopes On Sturdy Hitting

San Francisco Giants, who hope power will overcome their thin pitching this season, indicated yesterday that they still have the home-run punch which boosted them up to a third-place finish in National League last season.

Felip Alou and Don Taussig, two young sluggers who are bidding for regular play, each hit two four-basers yesterday and sophomore catcher Joe Schmidt hit one as the Giants knocked over Cleveland Indians, 13-10, in an exhibition baseball game in Tucson.

SCORE WHACKED

Disappointing to the Indians was the performance of Herb Score, the talented southpaw who has been plagued by injuries. Score, who has to regain his old form if the Indians are to figure in the American League race, gave up four of the San Francisco home runs and was tagged for eight runs in three innings.

In Fort Meyers, Fla., Pittsburgh Pirates, runners-up to Milwaukee in the Natior l League last season, bowled over the Braves, 6-4. Third baseman Don Hoak and catcher Smokey Burgess, obtained from Cincinnati in a trade for Frank Thomas, both helped the Pirates with extra-base hits.

At St. Petersburg, Fla., the world champion New York Yankees got four scoreless innings of pitching from world series hero Bob Turley as they opened their exhibition schedule with a 6-2 win over St. Louis Cardinals.

Scots Reach Final Of Island Playoff

Canadian Scottish advanced to the Island final in Province Cup competition yesterday, rallying for three straight goals in the second half to defeat Kickers, 5-4, at Royal Athletic Park.

The Scots meet Gorge Hotel in the final next Saturday.

Neil Standley drove home a rebound from Gerry Cawley's hard, close-in drive and Frank Grealy finished off a fine three-way play with Bill Ackinclose and Taffy Jones to give Scottish a 2-0 lead in the first half.

KICKERS RALLY

But before the half ended, Hank DeBruin scored on a header after a corner kick by Antol Major, Dick Nellestijn scored on a neat play by the right side of the forward line and DeBruin scored his second goal to give Kickers a 3-2 lead at the intermission. DeBruin's second goal was scored on a header, with Antol Major once again setting the play up with a corner kick.

In the second half, Jurgen Stossel scored on a breakaway after taking a pass from Nellestijn. Then, with a two-goal lead, Kickers relinquished the offensive.

Scottish wasted little time taking advantage of the opportunity. Standley scored his second goal on a cross from Crawley, Grealy connected with a 30-yard drive and Ackinclose took a perfect pass from Cawley and blasted a drive through goaltender Leo Eisler's arms.

LINEUPS

Canadian Scottish—Unwin; Brown, Jenkins; Carruthers, Eastlake, Tyson; Standley, Jones, Ackinclose, Grealy, Cawley, Spares, Jackson, Gibb, Scobbie, Witham.

Kickers—Eisler; Waibel, Dietrich; Lohner, Stoldt, DeBruin; Major, Vohl, Nellestijn, Stossel, Schemitsch, Spares, Moss, Wilhelm.

Liska Wins Again

Eimle Liska shot an 816 (308) series yesterday to successfully defend his "championship bowling" fivepin title at Capital City Bowling Alleys.

Jack Goldie was runner-up at 774, followed by Vic Harrison, 752, and Cy Waters, 672.

Littler Sets Record With Sizzling Putter

NEW ORLEANS (AP) — California's Gene Littler, a cool competitor with a blazing putter, smashed a course record with an eight-under-par 64 Saturday and soared into the second-round lead of the $20,000 New Orleans open golf tournament.

The former National Open champion was well back in the pack at the end of Friday's first round with a 73. But his performance over the 6,700-yard City Park course shot him to the top of the field with 137 for 36 holes.

Littler's putting Saturday bordered on the phenomenal. He one-putted all nine greens coming in and had 13 one-putt greens in all. H came in with 23 putts for the round, the best performance on this year's winter tour.

Bill Collins of Baltimore, the first-round leader, headed a five-man group tied for the runner-up spot at 140. Deadlocked with Collins were Jimmy Clark, Marty Furgol, Tom Nieporte and Billy Maxwell.

The field was trimmed to the 60 low scorers and leading amateurs for the final rounds Sunday and Monday. The cut-off point was 148.

Defending champion Billy Casper and last year's runner-up, Ken Venturi, failed to qualify with respective totals of 153 and 150.

City School Regains Cross-Country Title

VANCOUVER (Special) — Victoria High School's cross-country team won back the B.C. high school championship here yesterday in a two-and-one-half-mile battle featuring 109 runners from 13 schools.

Tommy Burgess led the Vics to the win by placing second in 11 minutes, 57 seconds. Vic Reeves of South Burnaby, the Greater Vancouver high school mile champion, beat him out by three seconds.

Only the first four runners from each team counted in the results, and Vic High's top men were well up in the pack. John Valient finished strongly to take third, Winston Jackson was 10th and Jim Robertson 12th.

Victory brought the title back to Vic High for the fourth time in five years. South Burnaby was second, Vancouver Tech, third, and Shawnigan Lake Boys' School, fourth. The defending champions from King Edward High of Vancouver placed 12th.

Fred Waters, Shawnigan Lake's ace distance prospect, set a fast early pace but faltered at the halfway point under pressure from Reeves and Burgess. Reeves finally won with a burst of speed at the tape, and Valient swept up to pass the tiring Waters and take third.

Legion Bonspiel At Lloydminster

OTTAWA (CP)—The Canadian Legion's third national bonspiel will open at Lloydminster, Sask., March 16.

Nine teams, one from each province except Newfoundland, will compete. The finals will climax months of elimination matches at branch, district and provincial levels. Saskatchewan is the defending champion.

ANIMAL WARNINGS

Bears beat on tree trunks to warn of approaching danger, while beavers thump their tails on the water.

MCC Scores

WELLINGTON, N.Z. (Reuters)—The touring British cricket team today overwhelmed the home side to win by an innings and 211 runs with a day to spare.

The MCC tourists now have won their first three matches in New Zealand by an innings margin.
